PETITION FOR CANCELLATION

Petitioner, INTERCONTINENTAL PACKAGING CO. believes that it will be damaged by registration of the mark shown in Registration No. 3458693 and hereby Petitions to Cancel the same. As grounds for cancellation, Petitioner hereby alleges as follows:

1. Petitioner is a Minnesota Corporation having its principal place of business at 1999 Shepard Road, St. Paul, MN 55116.

2. Upon information and belief, ASM LIQUOR PTY LTD. ("Registrant") is a Partnership organized and existing under the laws of the Country of Australia with its address at 128 Johnston Street, Unit 5, Annandale, Sydney, Australia.

3. Registrant has obtained a registration for KINKYNERO RUM for rum claiming a first date of use in commerce of January 12, 2006.

4. Petitioner is the owner of U.S. trademark Application Serial No. 85212918 for KINKY filed on January 7, 2011 for distilled spirits and liqueurs in Class 33.

5. Petitioner is being harmed by the Registration because the USPTO Examining Attorney has refused the Application for registration on the grounds that the Application is likely to be confused with the prior pending Registration.

6. Registration No. 3458693 was obtained fraudulently in that the Statement of Use filed by the Registrant, under notice of Section 1001 of Title 18 of the United States Code, stated that the mark was in use in commerce. The statement was false in that the mark was not in use in the commerce in, or with, the United States by Registrant or any related company, license or predecessor in interest of Registrant. Said statement was made by an authorized agent of Registrant with the knowledge and belief that the statement was false. Said false statement was made with the intent to induce authorized agents of the U.S. Patent and Trademark Office to grant said registration, and, reasonably relying upon the truth of said false statements, the U.S. Patent and Trademark Office did, in fact, grant said registration.

7. Registration No. 3458693 was obtained fraudulently in that, the Statement of Use, under notice of Section 1001 of the Title 18 of the United States Code, stated that the specimen submitted in support of the Statement of Use showed the mark as used in commerce. Said statement was false in that the specimens were not used by Registrant, or any related company, licensee or predecessor in interest of Registrant, in commerce in or with the United States. Said

false statement was made with the intent to induce authorized agents of the U.S. Patent and Trademark Office to grant said registration, and, reasonably relying upon the truth of said false statements, the U.S. Patent and Trademark Office did, in fact, grant said registration.

8. Petitioner is damaged and will continue to be damaged because Registrant's KINKYNERO mark stands as a bar to Petitioner's ability to federally register and protect its KINKY mark.

WHEREFORE, Opposer prays that this Petition for Cancellation of Registration No. 3458693 be granted resulting in judgment effecting the cancellation of the Registration.
